

An aerial photograph of a coastal development. In the foreground, a sandy beach meets turquoise water with gentle waves. A row of modern, light-colored high-rise buildings is situated along the shore. Behind the buildings is a large marina filled with numerous boats. The background shows more of the development, including a road and some greenery. A teal text box is overlaid on the left side of the image, containing the project name. A thin teal line with a circle at the end points from the text box to a specific building in the marina area.
